Arbitration

All disputes arising out of or in connection with the present contract shall be finally settled under the Rules of Arbitration of the International Chamber of Commerce by one or more arbitrators appointed in accordance with the said Rules.

Unless otherwise agreed by the parties, arbitration will be held in the British Virgin Islands before a single arbitrator mutually agreed upon by the parties, or if the parties cannot mutually agree, a single arbitrator appointed by the International Chamber of Commerce ("ICC"), and will be conducted in accordance with the rules and regulations promulgated by JAMS unless specifically modified in the Terms of Service. The arbitration must commence within forty-five (45) days of the date on which a written demand for arbitration is filed by either party. The arbitrator's decision and award will be made and delivered within sixty (60) days of the conclusion of the arbitration and within six (6) months of the selection of the arbitrator. The arbitrator will not have the power to award damages in excess of the limitation on actual compensatory, direct damages set forth in the Terms of Service and may not multiply actual damages or award punitive damages or any other damages that are specifically excluded under the Terms of Service, and each party hereby irrevocably waives any claim to such damages. The arbitrator may, at their discretion, assess costs and expenses (including the reasonable legal fees and expenses of the prevailing party) against any party to a proceeding. Any party refusing to comply with an order of the arbitrators will be liable for costs and expenses, including attorneys' fees, incurred by the other party in enforcing the award. Notwithstanding the foregoing, in the case of temporary or preliminary injunctive relief, any party may proceed in court without prior arbitration for the purpose of avoiding immediate and irreparable harm.

The provisions of this arbitration section will be enforceable in any court of competent jurisdiction.

Notwithstanding the provisions of the introductory section above, if Hydro.Online changes this 'Arbitration' section after the date you first accepted these Terms of Service (or accepted any subsequent changes to these Terms of Service), you may reject any such change by sending us written notice within 30 days of the date such change became

effective, as indicated in the “Date of Last Revision” date above or in the date of Hydro.Online’s email to you notifying you of such change. By rejecting any change, you are agreeing that you will arbitrate any dispute between you and Hydro.Online in accordance with the provisions of this section as of the date you first accepted these Terms of Service (or accepted any subsequent changes to these Terms of Service).

Termination

You agree that Hydro.Online, in its sole discretion, may suspend or terminate your account (or any part thereof) or use of the Service and remove and discard any content within the Service, for any reason, including, without limitation, for lack of use or if Hydro.Online believes that you have violated or acted inconsistently with the letter or spirit of these Terms of Service. Any suspected fraudulent, abusive, or illegal activity that may be grounds for termination of your use of Service, may be referred to appropriate law enforcement authorities. Hydro.Online may also in its sole discretion and at any time discontinue providing the Service, or any part thereof, with or without notice. You agree that any termination of your access to the Service under any provision of this Terms of Service may be affected without prior notice, and acknowledge and agree that Hydro.Online may immediately deactivate or delete your account and all related information and files in your account and/or bar any further access to such files or the Service. Further, you agree that Hydro.Online will not be liable to you or any third party for any termination of your access to the Service.

User Disputes

You agree that you are solely responsible for your interactions with any other user in connection with the Service and Hydro.Online will have no liability or responsibility with respect thereto. Hydro.Online reserves the right, but has no obligation, to become involved in any way with disputes between you and any other user of the Service.

General

These Terms of Service, in conjunction with the Token Sale Terms and Conditions (for those who took part in the token sale), as well as the Data Use and Privacy Policy constitute the entire agreement between you and Hydro.Online and govern your use of the Service, superseding any prior agreements between you and Hydro.Online with respect to the Service. You also may be subject to additional terms and conditions that may apply when you use affiliate or third-party services, third party content or third-party software. These Terms of Service will be governed by the laws of the British Virgin Islands without regard to its conflict of law provisions. With respect to any disputes or claims not subject to arbitration, as set forth above, you and Hydro.Online agree to submit to the personal and exclusive jurisdiction of the state and federal courts located on the British Virgin Islands. The failure of Hydro.Online to exercise or enforce any right or provision of these Terms of Service will not constitute a waiver of such right or provision. If any provision of these Terms of Service is found by a court of competent jurisdiction to be invalid, the parties nevertheless agree that the court should endeavor to give effect to the parties’ intentions as reflected in the provision, and the other provisions of these Terms of Service remain in full force and effect. You agree that regardless of any statute or law to the contrary, any

claim or cause of action arising out of or related to use of the Service or these Terms of Service must be filed within one (1) year after such claim or cause of action arose or be forever barred. A printed version of this agreement and of any notice given in electronic form will be admissible in judicial or administrative proceedings based upon or relating to this agreement to the same extent and subject to the same conditions as other business documents and records originally generated and maintained in printed form. You may not assign this Terms of Service without the prior written consent of Hydro.Online, but Hydro.Online may assign or transfer this Terms of Service, in whole or in part, without restriction. The section titles in these Terms of Service are for convenience only and have no legal or contractual effect. Notices to you may be made via either email or regular mail. The Service may also provide notices to you of changes to these Terms of Service or other matters by displaying notices or links to notices generally on the Service.
